À propos des liaisons pointillées

Les liaisons pointillées utilisées dans cette transcription indiquent une continuité de phrasé, notamment dans les passages où un **mélisme** fait correspondre plusieurs notes à une même syllabe. Elles permettent de distinguer visuellement ce phrasé des liaisons de prolongation traditionnelles, qui indiquent qu'une même note doit être tenue sur plusieurs temps.

The musical notation is written on a single staff in 4/4 time. The key signature has three flats (B-flat, E-flat, A-flat). The melody consists of the following notes: a quarter note (B-flat), a quarter note (A-flat), a quarter note (G-flat), a quarter note (F), a quarter note (E-flat), a dotted quarter note (D-flat), and an eighth note (C). A slur connects the first four notes. Fingering numbers are placed above the notes: -5< above the first note, -6 above the second, ~ above the third, +5< above the fourth, ~ above the fifth, -6 above the sixth, and +5< above the seventh. The lyrics 'Jim - my, won't you' are written below the staff, aligned with the notes.

Indications de nuances

Les lettres telles que « p », « mp », « f » ou « ff » sont appelées indications de nuances. Elles précisent l'intensité avec laquelle chaque note ou passage doit être joué. Ces indications aident l'interprète à donner une expression musicale plus précise et vivante.

- pp = pianissimo : très doux
- p = piano : doux
- mp = mezzo-piano : moyennement doux
- mf = mezzo-forte : moyennement fort
- f = forte : fort
- ff = fortissimo : très fort
- sfz = sforzando : accent fort et soudain

ad lib.

“ad lib.” est l'abréviation de ad libitum, une expression latine qui signifie : « à volonté », « librement », « comme vous le souhaitez ». Sur une partition, cela indique au musicien qu'il peut interpréter librement un passage. Selon le contexte, cela peut vouloir dire :

- jouer le rythme, les pauses et les respirations librement, sans tempo strict
- improviser ou ajouter des ornements
- répéter une phrase autant de fois que souhaité
- sauter ou abréger un passage si nécessaire
- allonger certaines notes

Cela produit l'effet cinématographique du thème: dramatique et libre, pas mécanique.

Abréviations

dim. = diminuendo = diminuer progressivement le volume de la note ou du passage.

cresc. = crescendo = augmenter le volume progressivement.

accel. = accelerando = accélérer progressivement le tempo.

rit. = ritardando = ralentir progressivement le tempo.

rall. = rallentado = ralentir progressivement le tempo (souvent un peu plus long que "rit.").

molto rall. = molto rallentado = ralentir fortement le tempo.

Mission Impossible

Gustav Anderson (1920-1989) ou Lalo Schifrin (1932-)

Votre mission, si toutefois vous l'acceptez, consiste à interpréter ce morceau à l'harmonica. Attention : cette partition s'autodétruit dans cinq minutes... Bonne chance !

Allegro molto (♩ = 170)

The musical score is written for a single-line instrument, likely a harmonica, in 5/4 time. It consists of six staves of music, each with a measure number (5, 8, 10, 12, 15, 18) at the beginning. The notation includes various musical symbols such as notes, rests, and accidentals, along with fingerings indicated by numbers (+5, -3, etc.) and dynamics (f, mf). The score is divided into sections by repeat signs and labels A and B. The first staff has a 4-measure rest. The second staff starts with a treble clef and a key signature of one sharp (F#). The third staff has a measure rest. The fourth staff has a measure rest. The fifth staff has a measure rest. The sixth staff has a measure rest. The score ends with a double bar line.

À propos du mercato (^)

Le chapeau pointu au-dessus d'une note indique un marcato. La note doit être jouée fortement accentuée et détachée, plus marquée qu'un simple accent. Cela attire l'attention sur la note et donne du caractère au phrasé musical. Combinez-le avec la dynamique pour obtenir l'effet expressif souhaité.

Les chemins musicaux : Segno, D.S. al Coda, Coda

Tu joues normal... jusqu'à lire : D.S. al Coda (= Dal Segno à la Coda)

Tu reviens au symbole (Segno)

Tu rejoues à partir du Segno jusqu'à voir : To Coda

Tu sautes vers la Coda, symbole placé plus loin (dernière ligne pour Mission Impossible)

Tu joues la Coda jusqu'à la fin.

La Coda est une fin alternative, un "bout spécial" pour conclure le morceau.
