À propos des liaisons pointillées

Les liaisons pointillées utilisées dans cette transcription indiquent une continuité de phrasé, notamment dans les passages où un **mélisme** fait correspondre plusieurs notes à une même syllabe. Elles permettent de distinguer visuellement ce phrasé des liaisons de prolongation traditionnelles, qui indiquent qu'une même note doit être tenue sur plusieurs temps.

Indications de nuances

Les lettres telles que « p », « mp », « f » ou « ff » sont appelées indications de nuances. Elles précisent l'intensité avec laquelle chaque note ou passage doit être joué. Ces indications aident l'interprète à donner une expression musicale plus précise et vivante.

- pp = pianissimo : très doux
- p = piano : doux
- mp = mezzo-piano : moyennement doux
- mf = mezzo-forte : moyennement fort
- f = forte : fort
- ff = fortissimo : très fort
- sfz = sforzando : accent fort et soudain

ad lib.

“ad lib.” est l'abréviation de ad libitum, une expression latine qui signifie : « à volonté », « librement », « comme vous le souhaitez ». Sur une partition, cela indique au musicien qu'il peut interpréter librement un passage. Selon le contexte, cela peut vouloir dire :

- jouer le rythme, les pauses et les respirations librement, sans tempo strict
- improviser ou ajouter des ornements
- répéter une phrase autant de fois que souhaité
- sauter ou abréger un passage si nécessaire
- allonger certaines notes

Cela produit l'effet cinématographique du thème: dramatique et libre, pas mécanique.

Abréviations

dim. = diminuendo = diminuer progressivement le volume de la note ou du passage.

cresc. = crescendo = augmenter le volume progressivement.

accel. = accelerando = accélérer progressivement le tempo.

rit. = ritardando = ralentir progressivement le tempo.

rall. = rallentado = ralentir progressivement le tempo (souvent un peu plus long que "rit.").

molto rall. = molto rallentado = ralentir fortement le tempo.

À propos du marcato (^)

Le chapeau pointu au-dessus d'une note indique un marcato. La note doit être jouée fortement accentuée et détachée, plus marquée qu'un simple accent. Cela attire l'attention sur la note et donne du caractère au phrasé musical. Combinez-le avec la dynamique pour obtenir l'effet expressif souhaité.

Les chemins musicaux : Segno, D.S. al Coda, Coda

Tu joues normal... jusqu'à lire : D.S. al Coda (= Dal Segno à la Coda)

Tu reviens au symbole (Segno)

Tu rejoues à partir du Segno jusqu'à voir : To Coda

Tu sautes vers la Coda, symbole placé plus loin (dernière ligne pour Mission Impossible)

Tu joues la Coda jusqu'à la fin.

La Coda est une fin alternative, un "bout spécial" pour conclure le morceau.
