# Auld Lang Syne - Ce n'est qu'un "Au Revoir"

Robert Burns (1759-1796)

Traditional (mélodie écossaise)

♩ = 50

The musical score is written for guitar in 4/4 time, featuring seven systems of music. Each system consists of a treble clef staff with a single melodic line and a series of fret numbers below it. The fret numbers indicate the fret position for each note, with positive values for higher frets and negative values for lower frets (relative to the open string). The notes are primarily quarter notes and dotted quarter notes, with some eighth notes in the second system. The fret numbers for each system are as follows:

| System | Fret Numbers                   |
|--------|--------------------------------|
| 1      | +5, -6, -6, -6, -7, +7, -6, +7 |

### Commentaires

#### À propos des liaisons pointillées

Les liaisons pointillées utilisées dans cette transcription indiquent une continuité de phrasé, notamment dans les passages où un **mélisme** fait correspondre plusieurs notes à une même syllabe. Elles permettent de distinguer visuellement ce phrasé des liaisons de prolongation traditionnelles, qui indiquent qu'une même note doit être tenue sur plusieurs temps.

### Indications de nuances

Les lettres telles que « p », « mp », « f » ou « ff » sont appelées indications de nuances. Elles précisent l'intensité avec laquelle chaque note ou passage doit être joué. Ces indications aident l'interprète à donner une expression musicale plus précise et vivante.

- pp = pianissimo : très doux
- p = piano : doux
- mp = mezzo-piano : moyennement doux
- mf = mezzo-forte : moyennement fort
- f = forte : fort
- ff = fortissimo : très fort
- sfz = sforzando : accent fort et soudain

### ad lib.

“ad lib.” est l'abréviation de ad libitum, une expression latine qui signifie : « à volonté », « librement », « comme vous le souhaitez ». Sur une partition, cela indique au musicien qu'il peut interpréter librement un passage. Selon le contexte, cela peut vouloir dire :

- jouer le rythme, les pauses et les respirations librement, sans tempo strict
- improviser ou ajouter des ornements
- répéter une phrase autant de fois que souhaité
- sauter ou abréger un passage si nécessaire
- allonger certaines notes

Cela produit l'effet cinématographique du thème: dramatique et libre, pas mécanique.

### Abréviations

dim. = diminuendo = diminuer progressivement le volume de la note ou du passage.

cresc. = crescendo = augmenter le volume progressivement.

accel. = accelerando = accélérer progressivement le tempo.

rit. = ritardando = ralentir progressivement le tempo.

rall. = rallentado = ralentir progressivement le tempo (souvent un peu plus long que "rit.").

molto rall. = molto rallentado = ralentir fortement le tempo.

**Allegro molto** (♩ = 170)

The musical score is written for a single melodic line on a harmonica, using a treble clef and a 5/4 time signature. The tempo is marked 'Allegro molto' with a quarter note equal to 170 beats per minute. The score consists of six staves of music, with measure numbers 5, 8, 10, 12, 15, and 18 indicated at the start of their respective staves. The notation includes various musical symbols such as slurs, ties, and dynamic markings like *f* (forte) and *mf* (mezzo-forte). Fingerings are indicated by numbers +5, -3, +2, etc., below the notes. There are two section markers, 'A' and 'B', each enclosed in a box. The score ends with a double bar line at the end of the sixth staff.

### À propos du marcato (^)

Le chapeau pointu au-dessus d'une note indique un marcato. La note doit être jouée fortement accentuée et détachée, plus marquée qu'un simple accent. Cela attire l'attention sur la note et donne du caractère au phrasé musical. Combinez-le avec la dynamique pour obtenir l'effet expressif souhaité.

**Les chemins musicaux : Segno, D.S. al Coda, Coda**

Tu joues normal... jusqu'à lire : D.S. al Coda (= Dal Segno à la Coda)

Tu reviens au symbole (Segno)

Tu rejoues à partir du Segno jusqu'à voir : To Coda

Tu sautes vers la Coda, symbole placé plus loin (dernière ligne pour Mission Impossible)

Tu joues la Coda jusqu'à la fin.

La Coda est une fin alternative, un "bout spécial" pour conclure le morceau.
